

**BUCKLAND PARISH COUNCIL**  
**Community Infrastructure Levy (CIL)**  
**Annual Report 2022/23**

**Introduction**

1. Regulation 62A of the Community Infrastructure Levy (CIL) Regulations 2010, requires local councils to report about CIL receipts, expenditure and balance. Local councils receive CIL money via Meaningful Proportion, which takes place twice a year. This sees local councils receiving a percentage of any CIL money paid within their parish/town.
2. The report must be completed no later than 31st December following the reported year.
3. The report must be published either on the local council's website or on the website of the charging authority if the local council does not have a website.
4. A copy of the report must also be sent to the charging authority.
5. In order to ensure that all local councils have complied with the requirement, Buckland Parish Council will publish a report annually on its website which covers the points raised by Regulation 62A to ensure complicity and ease of access of information.
6. This report relates to the financial year 2022/23 ("the reported year")

**Buckland Parish Council**

1. Community Infrastructure Levy (CIL) funding is paid for by developers of residential and retail development. Mole Valley District Council (MVDC) collects the levy and pass a proportion (15%) to Buckland Parish Council raised on development located within the parish. The Parish Council needs to spend the funds within five years; MVDC will require any unspent funds to be repaid to MVDC.
2. The purpose of the CIL is to enable the Parish Council to spend the funds to support development and growth within the parish. There are rules governing what the funds can be spent on with examples including investment to support community safety, transport and travel, cultural and sport facilities, flood mitigation, health related projects, parks and open spaces, play areas.

**Financial Year 2022/23**

1. A balance of £5,379 was brought forward from 2021/22.
2. Buckland Parish Council received no money via Meaningful Proportion during the financial year.
3. Buckland Parish Council spent £5,379 during the financial year.
4. The brought forward balance on 31<sup>st</sup> March 2023 is Nil.
